## Copyright notice

---

All rights reserved.

All Statistics Learning Centre materials are subject to the following copyright terms and conditions unless otherwise noted on the materials or in a separate written notice.

Statistics Learning Centre materials may be used for teaching and learning purposes in accordance with the terms and conditions below.

Statistics Learning Centre materials include, but are not limited to, printed and electronic notes, teaching guides, videos, quizzes and learning activities.

**Paid teacher licence:** All materials made available under a paid teacher licence may be used for class teaching, teaching planning and your own personal learning. Printed copies of materials may be distributed for class teaching purposes, provided copyright notices are not obscured. Electronic copies of materials may not be distributed for class teaching but may be displayed for class teaching purposes. Displaying electronic copies for class teaching includes showing videos to the class and working through learning materials as a class. Printed and electronic copies of Statistics Learning Centre materials may be made for your own teaching planning and personal learning purposes. Unless otherwise noted, the period of a paid license is one calendar year.

Copies of Statistics Learning Centre materials may be kept beyond the period of the license for personal teaching planning and personal study and revision purposes only.

**Paid individual (student) licence:** All materials may be used for your own personal learning only. Copies of materials (including printed and electronic) may be made for your own personal use. Unless otherwise noted, the period of a paid license is one calendar year. Copies may be kept beyond the period of the license for personal study and revision purposes only.

**Free trial licence:** Notwithstanding the type of license, under a free trial all materials may only be used for the duration of the free trial. Unless a paid subscription follows a free trial, all copies of Statistics Learning Centre materials must be destroyed following the free-trial period.

---

Other redistribution of Statistics Learning Centre materials is prohibited without the express permission of the copyright holders.

Statistics Learning Centre, Creative Heuristics Ltd, Dr Nicola Ward Petty and Dr Shane Dye reserve the right to make changes to these copyright terms and conditions as they see fit. An up-to-date version of this copyright notice can be found at <http://www.StatsLC.com/copyright/>
